

Bibra Lake PS P&C

11 December 2015

Newsletter 9, 2015

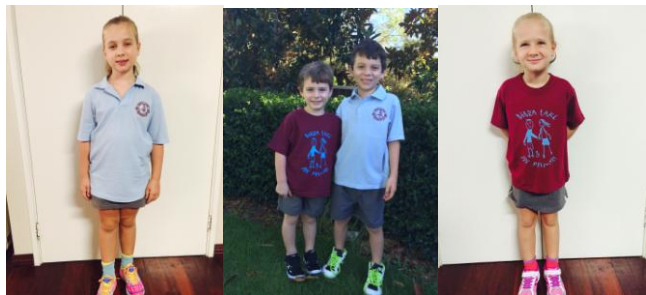

Dear Parents, members, teachers & neighbours, welcome to the last P&C Newsletter for 2015.

Thank you to all the P&C members, committee, parents and 'silent partners' for all your efforts & support this year.

It has been a very busy year for the whole school family not just the P&C and there is already a lot of exciting things in the planning for 2016.

So, give yourselves a big pat on the back, but please do come back next year!

Uniform shop "open day"

The School uniform shop will hold a special 'Open Day' for 2016 orders:

Friday 29th January 2016 @ 12:15 - 2:30

Pre ordering and payment is available and highly recommended as a great way to avoid the queues!

Email the Uniform Coordinator for further details and instructions @ blpsuniform@hotmail.com. Please do remember though that the uniform shop can only accept cash or cheque payments at the shop.

~~~~~  
There will also be some minor price increases, effective Monday 1st Feb 2016. Whilst we always try to keep prices down, we do still need to cover our costs. Any uniform orders received after 1st Feb will be charged at the new prices. These will be listed on the school website and Face book page after the open day.

There will also be 'clearance' stock at greatly reduced prices.

## P&C to donate science and sports gear!!!

At our last formal meeting, the P&C voted unanimously to donate up to \$4,400.00 toward the purchase of digital USB microscopes for the sciences department and \$1,000.00 to the school to purchase replacement sports gear used during lunch times and recesses.

These donations were proudly announced at the school Christmas concert on Wednesday 9<sup>th</sup> December by the P&C President Graeme Baudains.

## The results are in...

### Spooky Disco:

The Friday 13<sup>th</sup> 'spooky disco' was a smash hit with well over 100 students attending over 2 x sessions. Thanks to all the attendees and to our parent volunteers who worked on the night, we raised over \$1,100.00 for the school!

### Canteen specials:

The 'free icy pole with every lunch order' days have also been a great success in driving up canteen sales for those weeks. Thanks everyone for your support and thanks to Rhonda and the canteen sub-committee!

Don't forget, if you can help in 2016, please contact our Canteen Manager Rhonda on 9417 5536 between 8am-1pm. Our canteen needs volunteers to help it run.

### Did you know...?

[www.bubbler.com.au](http://www.bubbler.com.au)

Bubbler Deals is a Perth online company offering discounts for activities and products.

Did you know that you can mention our school on the [www.bubbler.com.au](http://www.bubbler.com.au) website every time you make an online purchase and the school is rewarded with 5% from every online sale?

[www.bubbler.com.au](http://www.bubbler.com.au) has already given our school \$74. Just imagine if we all start shopping there?!

### Wanted!

The P&C needs a new website as well as new committee email addresses.

If any parent has the ability to set this all up for us (at little to no cost), then please contact - Graham, Amanda or Ed to discuss further. The P&C will pay for any website hosting costs incurred.

### Last P&C meeting for 2015

The last P&C meeting for 2015 will be an informal gathering over a meal @ Grill'd, Gateways Cockburn from 7.00PM Tuesday 15<sup>th</sup> December. We hope as many members can attend as possible.

### 2016 P&C AGM

**Your P&C's 2016 Annual General Meeting (AGM) will be held @ 7.00 PM, Tuesday 09<sup>th</sup> February, 2016 in the school Staff room.**

Please do consider coming along and perhaps taking up a position. But don't panic, no one will be pushed into a position they don't nominate for and most of our 2015 committee have already re-nominated!

We will be adding some exciting new roles in 2016 such as: Sustainability, Block representatives, Grants committee, and a Bibra Lake Residents Association representative as well as working closely with the Year 6 leavers fundraising group. We are always looking for fresh faces & new ideas to support our fundraising, uniform and canteen sub committees.

So, if any of these interest you, please do come along!

**Our first 2016 meeting with the new committee will then be held @ 7.00 PM, Tuesday 16<sup>th</sup> February at the same venue.**

All members welcome as are those wishing to join your P&C.
