

DRESS CODE POLICY

Introduction

The School Board of Bibra Lake Primary School has established a dress code for all students attending the School.

The School Board believes a school dress code:

- Fosters and enhances the public image of the school;
- Assists in building school and team spirit;
- Ensures students are safely dressed for specific school activities;
- Encourages equity among students; and
- Prepares students for work, as many work places have dress and safety codes.

Advice to Students on the Dress Code

Students should ensure that they use appropriate protection from the sun when outdoors.

Availability of Dress Code Items

1. A uniform shop operates at our School and items may be ordered on the standard form. Items in the designated school colours may be purchased from any clothing or department store if desired.
2. Sports uniforms and tracksuits may be ordered through the school. Sports uniform will be required for participation in Interschool Sport.

Modifications to the Dress Code

Students who, for religious or health reasons, may wish to modify the school dress code are required to make an appointment with the principal or designated staff member. Staff will be informed of any student granted a modification to the dress code.

Students not following the dress code will receive:

- Counselling from a designated staff member on the benefits of a dress code;
- Assistance/support in obtaining suitable clothing, if necessary; and
- A pass for an agreed length of time for dress modification.

Students not following the dress code may be denied the opportunity to represent their school at official school activities, which include choir, sporting and social events.
