

Little Green Steps WA
presents

Water Play and Conservation in Early Years

Wednesday 26 August 2026
6pm - 8pm

Atwell Community Centre
9 Lombe Gardens, Atwell WA 6164

Join LGSWA to learn about embedding water conservation in your services. Including your daily practices, specialised activities and advice on sustainable water play.

- Ideas and support structures to help your early years' service be more waterwise.
- Up to date information on Perth's water consumption and how this affects your service.
- Participate in hands on activities that engage children in water conservation.
- Discuss How water Play can be done sustainably.
- Green Cleaning demonstration and how it benefits our waterways.
- Address the links between the EYLF, NQS and conservation and protection of water.
